

1982 Bristol 41.1 Center Cockpit

Westerly, RI

\$99,000

YEAR	LENGTH	ENGINES	POWER
1982	41.17 ft	1	57 HP

Description

Be sure to watch the video tour linked within this listing. If you like what you see there and are ready to buy when it shows just as well in person, we should schedule a viewing. This 1982 Bristol 41.1 Center Cockpit has been well-loved and upgraded by the owners during their 25-years of sailing. Significant upgrades include 2023 Yanmar diesel with 320 hours; 2020 Westerbeke 7.6 Kw Generator with 273 hours; 2023 bow thruster; New mainsail & genoa within last 3-5 years; New dodger & bimini in 2023 with older full enclosure panels. Awlgrip painted topsides and decks. They have done the heavy lifting to the benefit of the next owner. She is also priced very aggressively for a quick sale so do not hesitate if you want an excellent example of this classic yacht.

Features and Upgrades

Significant upgrades include:

2023 Yanmar diesel with 320 hours installed by an authorized Yanmar service center

2020 Westerbeke 7.6 Kw Generator with 273 hours installed by Frank Hall Boatyard

2023 bow thruster installed by New England Bow Thruster

New mainsail & genoa by Ace Sails within last 3-5 years

New dodger & bimini in 2023 with older lightly used full enclosure panels

Awlgrip painted topsides and decks, Flag Blue with white double boot stripe and gold cove stripe

Fairclough custom canvas winter cover with frame protects the boat better than shrinkwrap with better breathing, access, safer for painted topsides, and saves over \$1000 per year in shrink wrap costs.

Electronics

In Cockpit:

Raymarine E80 MFD

Raymarine ST60 Speed

Raymarine ST60 Depth

Raymarine ST60 Wind (not working, probably needs a wind transducer)

Raymarine Autopilot with fixed head at companionway, wired controller at helm

VHF - IC-M301

Ritchie Compass

At Nav Station:

VHF - IC-M80

Single Sideband Radio - Icom IC-M710 works but needs something connected to be fully operational

Stereo

Galley

Newer Mediterranean gimbale propane stove with three burners and oven

Large refrigerator with twin cold plates keeps everything cold for up to 12 hours between 20 minute rechills from shore power or generator

Separate Freezer located in salon with twin cold plates operates with same process as fridge. This is a deep unit that puts a lot of perishables into deepfreeze while on extended cruises

Twin basin stainless sink with H&C pressure water

Bristols are know for their extensive storage lockers and this galley is no exception with many other lockers throughout the vessel that could be used for provisions on long cruises

Deck and Handling Gear

Electric Windlass

CQR anchor with chain rode

Danforth style anchor with rope rode for kedging

Outboard motor hoist at stern

Outboard motor bracket on sternrail

Swim ladder

Lifesling

Throwable Horseshoe

Stanchions with vinyl coated lifelines

Teak toe rails and handrails in good condition

Stainless handrails/guard around life raft

Liferaft well past certification

Stainless dorades for passive ventilation

Various dock lines and fenders

30 Amp Shore Power inlet with cord

Rigging, Sails, Canvas

Sloop rig with in-mast furling mainsail and roller furling genoa

Standing rigging replaced within last ten years

Mast furler serviced by "the guy" on Jamestown a few years ago

New Ace Sails genoa within 5 years

New Ace Sails Mainsail within 5 years

New dodger and bimini in 2023 designed to work with existing enclosure panels that are lightly used

Full set of cockpit cushions upholstered with white vinyl
