Family Cruising

With an overall length of just over 36 feet, the flagship of the Antares fleet is the perfect definition of a weekend cruiser. Safe, ideal for cruising, and seaworthy, the design of the Antares 11 focuses on comfort and space, as well as safety and innovation.

A weekender that hits the right note! The Antares 11 Coupe is the epitome of a safe, seaworthy, and spacious family powerboat, retaining the longstanding signature features of a top-quality range, suited to all kinds of boating.

The Antares 11 Coupe is the evolution of over 40 years of Antares heritage passion and know-how.

This family cruiser is reassuringly reliable. Her seaworthy hull offers comfort and pleasure at sea. Movement on board is made easier by a level deck between the cockpit and wheelhouse. It is also safe thanks to the height of the free boards and free-flowing due ti a full-width starboard side deck.

The new Antares 11 Coupe has twin outboard engines to guarantee performance and comfort.

VESSEL WALK-THRU

The modular cockpit creates a fantastic social space with the L-shaped seating and table converting easily to sunbathing space.

The seating connects seamlessly to the sofa in the lounge area inside, creating a vast relaxation space.

Located in the bow, the double master cabin is very well appointed. Featuring a central island bed, lots of storage, large profiled hull windows on each side, and an ensuite bathroom. The full-beam aft cabin demonstrates how well the space is optimized with its double bed and single child berth/banquette. In addition the convertible salon, the Antares 11 Coupe can accommodate up to 7 people in excellent conditons.
