Description

Introducing the 1988 Black Watch 30 Flybridge, a remarkable vessel that embodies both elegance and performance. With an overall length of 30.08 feet, this flybridge boat features a robust fiberglass hull designed in a Deep Vee shape, ensuring a smooth and stable ride on the water. Powered by twin Cummins 6BTA inboard engines, each delivering an impressive 250 hp, this boat is equipped for cruising at speeds of up to 21 knots. The direct drive system enhances responsiveness, making it a joy to navigate. The accommodation includes a large cabin and a well-appointed head, providing comfort for overnight trips. Additionally, the electric windlass adds convenience for anchoring, making your time on the water even more enjoyable. The LEXI BRI is a perfect blend of style and functionality, ready to create unforgettable memories. Please call for additional information or to make an appointment.
