

1999 Sabreline 36 Express

Westport, CT

\$185,000

YEAR	LENGTH	ENGINES	POWER
1999	36 ft	2	600 HP

Description

Dry, stable, beautiful, are usually the words used to describe the Sabreline 36. *Absolutely* is one such boat. The interior is second to none. American cherry throughout accented by a teak and holly sole, all help make the interior of the Sabre 36 somewhere you want to be, not just a place to hide from the weather!

The dark green Awlgrip hull, tan nonskid, topped off with a custom-designed canvas top, all make the profile of this 36 one of the nicest we have ever seen.

On deck, the helm is located to starboard behind a stylish stainless steel-framed windshield. All engine controls, the ship's compass, and her owner's navigation electronics are installed on a helm pod which can be tilted aft for easy access and maintenance. Aft of the mate's seat, and in the lower cockpit, are fixed bench seats with storage. Twin diesel Cat 3116's are not only efficient but are also fast. Generator, and a/c complete this boat, which is big enough to cruise and also manageable enough for a quick cocktail cruise.

As it should be, this Sabre 36 has been continually upgraded and extremely well taken care of by her three owners. Most recently a new 6.5kw generator, replaced shafts and props, custom canvas, replace windlass and chain, and all LED lights on board! Last summer Absolutely was on the market and deposited almost immediately. During an oil analysis the owner was notified that there was glycol in the oil in the starboard engine. Although a trace amount and after changing the oil and running the boat the it was still present. It was decided that the best course of action was to call H.O. Penn, have the engine removed and sent to Cat (H.O. Penn) for an analysis. Their recommendation was a complete breakdown and rebuild. Over the winter the engine was rebuilt and tested, the engine was then reinstalled late spring and Absolutely is now back on the market. The starboard engine now has about two hours on it and is running like new!

Please call for additional information, this 36 is a great value in today's market.

Galley

- Princess 2-burner electric cooktop
- Panasonic Microwave
- Refrigerator w/ Ice Tray
- Stainless Sink w/ hot and cold pressure water

Electronics

- Simrad AP 16 Autopilot
- KVH Azimuth digital compass
- Poly Planner speakers in salon and cockpit
- Fusion Speakers in Cockpit
