Description

The Surfhunter 29 is one of the finest rough water vessels that you will find..Designed by the legendary Hunt Designs Group (the people who invented the deep "V" hull) she possesses all of the attributes that people look for. She is dry running, soft running, quiet, and with the fit and finish that is sure to give you pride in ownership that will last for years.

This Serfhunter 29 has had the drive updated, new canvas, and has been maintained by its current owner in a way that a vessel this special deserves.

People say, "It's all about the ride." This is the vessel that started it all.

Additional Information

New Manifolds , risers, and water pump completed fall 2022

New canvas.

Out drive has been replaced (ocean X drive out drive).
