2006 Catalina 36 MkII

Norwalk, CT

$45,000

YEAR	LENGTH	ENGINES	POWER
2006	36.25 ft	1	35 HP

Description

Double Trouble has been with this family since she was purchased new in 2006.

She was built at the end of one of the longest production sailboat runs ever with 2305 boats built. Frank Butler and Gerry Douglas refined the design over the years and Double Trouble represents all of those improvements.

She has been well cared for and respectfully used which shows and would have remained with this family had it not been for them moving up to a 41 footer.

Double Trouble is currently on a mooring so her Bimini and Dodger canvas is stored ashore.

Recent Upgrades

2026 - Fuel Injection Pump and Heat Exchanger replaced by Norwalk Cove Marina

2025/2026 - New Batteries

Planned Upgrades for 2027

Battery Charger and Macerator Replacement

Double Trouble is one of those very clean, well cared for family boats with ample room and comfort that Catalina is known for.
