

2006 Nordic Tug 37

East Greenwich, RI

\$399,000

YEAR	LENGTH	ENGINES	POWER
2006	39.83 ft	1	380 HP

Description

This absolutely gorgeous 2006 Nordic Tug 37 is loaded with new equipment and upgrades. Built in the American Northwest, Nordic Tugs are well known for their solid build, sea worthiness, style and comfort. With a full keel and hand laid fiberglass build process, these boats are built like no other. Stern thruster just installed, new bottom paint and zincs, and completely detailed hull and topsides. She is shining! Equipped with the reliable Cummins QSB 380hp engine with only 1650hrs, she cruises long ranges with minimal fuel consumption.

She is the popular two stateroom version, with full island master bed, and separate guest room with bunk bed set up, closet and drawer stand for plenty of extra storage. Emma Anne also comes with a 2023 ten foot, hard bottom, Zodiac with 20hp Tohatsu.

She is 100% ready to cruise. There is absolutely nothing to do but move onto this beautiful vessel. Call Paul today for more information and to set up a showing; you will be impressed!

Some of the new upgrades include:

2026 Stern thrust installed.

2025 Radar arch power coating

2025 Garmin 12" dual screens, AIS installed.

2025 Garmin radar installed.

2025 Total darkness IR camera installed.

2025 main engine heat exchangers removed, tested and cleaned, hoses and clamps replaced.

2025 Onan generator cooler removed, tested, cleaned, ground strap replaced. (1200 hours)

2025 shaft cutlass, PPS, rudder seal replaced.

2023 solar panels, 400 watts installed.

2023 washer/dryer installed

2023/2026 system winter protections, equipment fluids, filters all within the manufacturer's recommended. 2023 and forward above work was yard performed.

2026 New upholstery and cushioning for captain and first mate seats

Designed by Lynn Senour, the originator of the Nordic Tug design, the 37 shares many of the features found in her larger and smaller siblings such as a large ship-style wheelhouse, access to the deck from either side, hand-laid fiberglass hull with hard chine and full keel as well as the same attributes of speed and sea keeping qualities. The waterline length of the 37 is actually 39' 10" due to a molded-in swim step that is essentially an extension of the hull giving her greater speed, stability and fuel economy.
