

2010 Beneteau Oceanis 43

Noank, CT

\$149,000

YEAR	LENGTH	ENGINES	POWER
2010	42.83 ft	1	54 HP

Description

Video tour linked within this listing! This two-cabin Oceanis 43 stands out from the others with its newer upgraded Yanmar 54HP diesel with only 432 hours and newer B&G electronics package. Situated in the sweet spot between the 40 and the 46, the 43 is just the right size for two spacious cabin/head suites without compromises. Other features include a larger U-shaped galley with front loading fridge, top loading freezer, and over a dozen storage lockers. All spaces are air conditioned with reverse cycle heat, and there is also the factory fan package to keep things cool when away from shore power. The spacious salon and huge cockpit allow for comfortable entertaining of friends and family, and the salon table will convert to a double bed for sleeping of up to seven. We've priced Magic Maddie 2 to entice the Beneteau 40 buyers to upgrade to more speed, stability, comfort, and just more boat for your buck. Come see what three-feet-for-free looks & feels

like!

Electronics

Newer B&G Electronics Package includes:

12" hybrid touch Multifunction display on pivoting mount

(2) 5" MFD at starboard helm

Autopilot Controller at Starboard helm

(1) 5" MFD at port helm

Underdeck Autopilot

HD Digital Radar dome on mast

Speed & Depth transducers

Wind transducer on top of mast

Icom Commandmic remote VHF controller at starboard helm

Oceanis 43 Design - Manufacturer Description

The Océanis 43 is an unequivocal invitation to delight in her design, comfort and performance. The hull and deck plan are the work of the Berret Racoupeau design office. Their designs have led to the creation of an aesthetically powerful and attractive yacht with remarkable sea keeping qualities. The interior architecture and design are by Nauta Design. This great Italian name, a benchmark in the super yacht world, has helped the Océanis 43 achieve her true personality, one of contemporary lines where luminosity, comfort and wellbeing take precedence on board.

Cockpit Manufacturer Description

- Cockpit bottom self bailing
