

2017 Jeanneau Sun Odyssey 44 DS

Westport, CT

\$325,000

YEAR	LENGTH	ENGINES	POWER
2017	43.75 ft	1	57 HP

Description

The Sun Odyssey 44 DS is no less than a revolution.

The Philippe Briand designed hull combined with an interior and deck design by Franck Darnet and Flahault Design has yielded a boat that is not only a joy to sail, but exceptionally comfortable. All sheets are of course lead aft to the helm to make sail handling very simple for a short-handed crew.

Lifeline has been well loved and it shows...

As mentioned, her deck layout is extremely clean, nicely organized with all lines run to one of 4 electric winches at the companionway and at each helm station. The flow of her large, well protected cockpit is exceptionally well designed and belies what's below...

Lifeline's companionway is easily negotiated and includes an excellent feature - the companionway door disappears below and does not need to be stored separately.

Moving below, reveals one of the most spacious interiors ever produced on a sub - 45 foot sailboat. Lifeline is the preferred 2 Cabin / 2 Head version and her forward cabin - complete with desk, private head and is only out done by her aft cabin and it's King Size berth with new "topper cushion". Remarkable amount of space and excellent headroom throughout.

To me, what makes Lifeline truly special is her Aft Full Beam Master Cabin with direct access to the Galley and the Head. Mirrored storage and and small settees Port and Starboard enhance comfort and maximize storage... It's everywhere!

Go anywhere in Comfort - Lifeline comes complete with a large Battery Bank, 2000 Watt Inverter, Generator, Air Conditioning with Reverse Cycle Heat, Cabin Fans, Extra Water Tank

SAILS - Lifeline's sail handling is simplified with her roller furling main and genoa both in like new condition. Her Quantum Main was new in 2024 and only used once in 2025. The UK Genoa is approximately 3 years old, lightly used and in very good condition. She is also equipped with a Doyle Cruising Code Zero with Furler.

Additional Upgrades

The Dodger, Bimini and connector was replaced in 2022 by Seafarer Canvas in Norwalk.

The Selden Electric winch for the Main - installed in 2021.

Solar panels and controller - 2023.

Refrigerator's Cooling Unit - replaced in 2024

Additional Equipment

3 Blade Folding Prop, Vinyl rub rail, Deck wash down pump, Galley water filter, Out board lift, Bow Thruster

Raymarine, GPS, AIS, VHF, Autopilot, Autopilot remote, Quantum Radar, Depth, wind speed and direction, Fusion stereo with Bose speakers in cockpit and cabin, CD player, TV and Antenna.

Forespar Motor-Mate Dinghy Lift with 100lbs capacity.

Lifeline is ready to go (almost) anywhere and keep you comfortable while safely allowing for short handed or fully crewed sailing.

Available by appointment.
