2022 Cobia 240 Center Console

Mystic, CT

$109,000

YEAR	LENGTH	ENGINES	POWER
2022	23.58 ft	1	300 HP

Description

Be sure to watch the Video Tour linked within this listing! There are a lot of Cobia 240 CCs out there and for good reasons. This one rises to the top for a few specific reasons including the Whisper Grey hull with matching underside T-Top, a 2025 Venture Trailer that has never been submerged, Garmin HD Radar, Yamaha 300 with only 102 hrs and Extended Warranty until December 2029, Electric Windlass, Electric Marine Head with holding tank, canvas covers for seats, console, & outboard, Records showing proper New England seasonal maintenance, with everything operating well and looking very good. The sellers are retiring from boating and not interested in trades.

The 240 CC is the latest Cobia to seamlessly mesh tournament capability, family comfort, and style into a single package. Built on a proven hull with superior fuel efficiency and open water running performance, the

contemporary deck layout maximizes form and function. A wide open cockpit with level floor from bow to stern, twin 33 gallon in-floor fishboxes, a 28 gallon livewell, and a standard aft tackle station are designed to meet even the most hardcore angler's needs. When the fishing is finished, the 240CC is equally adept as a platform for hosting an elegant sunset cruise or spending a casual day sandbar hopping. Passengers and guests will especially appreciate all the bigger boat amenities like the forward entry walk down head, hideaway rear bench seat with backrest, and the upgrade cushion packages that include double-bolstered helm seats and forward facing backrests for the bow. There's not a better looking and more feature-packed 24 footer on the water.
