2023 Saxdor 320 GTO

Norwalk, CT

$249,000

YEAR	LENGTH	ENGINES	POWER
2023	33 ft	2	600 HP

Description

Introducing the 2023 Saxdor 320 GTO, a stunning Cuddy Cabin boat that combines modern design with exceptional performance. At 33 feet overall, this vessel boasts a sleek fiberglass hull with a deep-V shape, ensuring a smooth, stable ride even in choppy waters. Powered by two robust Mercury outboard engines, each delivering 300 hp, the 320 GTO delivers exhilarating speed and agility. With only 130 hours of use, these engines deliver reliable power for your adventures on the water. The interior offers comfortable accommodations, including a cozy cabin and a well-appointed head, making it perfect for weekend getaways. Notable features include joystick control for effortless maneuvering, enhancing your boating experience. The Saxdor 320 GTO is the ideal choice for those seeking a blend of luxury, performance, and versatility on the water. The versatile seating seats six guests facing forward, plus the helmsman and two companions (nine

total). At your destination, the versatile cockpit transforms to seat 6 around the cockpit table for lunch, with two cockpit refrigerators (one on each side) to keep your favorite beverages cold and within reach. When it's time to play, the Saxdor 320 GTO really shines! Both sides fold out to almost double your cockpit space! Giving you unprecedented space for swimming, paddleboarding, or just relaxing. If the weather turns bad, it has a full canvas enclosure (I don't think it's ever been up). The Saxdor 320 GTO is ready for you and your next adventure!
