Description

IN STOCK!

Following in the wake of her elder sister, the Oceanis 51.1, this 40-foot cruiser, with a new hull design by Marc Lombard, offers unrivalled deck volume and interior space, and there are no concessions to performance. Hull #486 features Pearl Grey Hull, with (3) Cabin and (2) Head layout.

With the innovative flared hull design of the Oceanis 40.1, and steps extending over a third of the bow, BENETEAU has broken new ground but made no concessions. The result is a hull that has true speed potential and is stiff under sail. Above the waterline, her deck plan and ultra-spacious interior by Nauta Design is unheard of on a boat this size. You cannot help feeling that you are aboard a 45 foot cruiser.
