Description

This listing represents a vessel that is available to be ordered by a customer.

Contact Prestige Yacht Sales for pricing and optional equipment details.

The Antares 12 Coupe affirms its position as a versatile family cruiser, designed for long-distance sailing in all latitudes. Benefiting from proven expertise and complementing the Antares 12 Fly, it combines comfort, elegance and innovation with a spirit of shared pleasure and serenity.

With its unique design and modern shape, the Antares 12 Coupe embodies the aesthetic codes that have been the signature of the range for 45 years. The hull glazing and gunwale create a sleek line, while the protective, streamlined aft roof enhances the overall balance of the boat. The electric starboard platform

naturally extends the outdoor living space and simplifies access to the water for paddleboarding or swimming.

The Antares 12 Coupe, ideal for family cruises or short trips with friends, is the perfect blend of modularity and space. The spacious, bright and elegant master cabin has its own bathroom, just like the guests, who benefit from a fully equipped cabin. A third modular area can be transformed as needed into an extra bunk or storage space. Combined with the convertible wheelhouse seating area, the Antares 12 Coupe can accommodate up to eight people on board for a wonderful night at anchor off the coast.
