Description

This listing represents a model that can be ordered by a client.

Contact Prestige Yacht Sales for further details on specifications, pricing and optional equipment.

The Antares 9 is a sleek modern boat reimagined with innovations and enhancements taken from larger models. Built for fun-filled weekends on the water, this version offers even more ways to enjoy the sea. It is easier to move around and handle, and even better in good company whether you’re anchored or cruising.

The Antares 9 has an elegant profile and boasts sleek, powerful lines, enhanced by a silver rubbing strake and long hull windows. The wheelhouse arch, a real hallmark of the line, forms a slightly broken curve. It joins the extensive coachroof which protects the generously sized aft cockpit (1.7 m by 2.4 m). By adding an

extra seat, the L-shaped bench seat can be converted into a U-shaped saloon area, the ideal layout for a large number of guests. This modular saloon can be easily converted into a sunbathing area when you want to relax and sunbathe.

Standard Equipment

CONSTRUCTION — HULL

- Sandwich (Polyester resin – Glass fiber – Balsa core)
- White gel coat
- Injection-moulded hull

CONSTRUCTION — DECK

- Sandwich (Polyester resin – Glass fiber – Balsa core)
