First 27 SE brings high-tech performance, events and community know-how from the cutting edge of racing sports into the recreational sailors' hands. She delivers extraordinary sailing experience up to today reserved for professional racers. Sailors can challenge themselves on One Design long-distance races or enjoy fast adventure cruises in the best sailing spots, as she is also wholly trailable.

Planing at double-digit speeds is easier than ever. First 27 promises a thrilling and pure sailing experience. She is sourcing her performance from a modern hull design and light but stiff vacuum-infused hull

construction. Hull with very high initial stability and deep lead-bulb keel easily handle carbon rig with large square-top mainsail without a backstay or runners. All the power is nothing if you can't manage it. Well-thought cockpit ergonomics, no runners, balanced twin-rudder steering system all empower the sailors. No matter if you're sailing solo, double-handed or fully crewed, First 27 SE will reward you with an astonishing sailing experience and pure joy under the sails.

Engine Notes

Maximum Engine Power 10hp
