Contact Prestige Yacht Sales for details.

With the FIRST 44, BENETEAU draws to the noblest expression of the term “racer/cruiser”: an elegant and comfortable yacht that provides unequaled pleasure under sail. The generous sail plan allows the First 44 to be lively and efficient in all conditions.

The FIRST 44 is presented in two main setups, FIRST 44 and FIRST 44 PERFORMANCE, with a different deck plan and options for keels and masts.

In the FIRST 44 version, the cockpit is very convivial with a lovely cockpit table as well as its fluidity with a level access to the large clear gangways. Four winches, a fixed centerline block for the mainsheet and a mast that is set further aft all maximize the potential of her modern sailplan, defined by a slender mainsail and generously sized foresails. Two 350-litre ballast tanks, which can be activated electrically from the helm consoles, make it possible to maintain the boat's full potential.

On the FIRST 44 PERFORMANCE, deck ergonomics were studied and developed with fully crewed regattas in mind. Equipment and systems are totally geared towards racing, among which should be mentioned the foam non-skid surfaces that replace the teak on the cockpit sole, six well-placed winches and a conventional mainsail traveller.
