Description

This listing represents a vessel that can be ordered for a client.

Contact Prestige Yacht Sales for details.

With sights set on high-performance cruising and more, if you are keen on regattas, this “Luxury Performance” sailing yacht was designed for expert sailors and demanding owners. With a well-balanced hull and helm for unique sensations, easy-flow deck plan, modern marine interior with a décor of white lacquered bulkheads and moulded wood, the First 53 gets the renewal of the new generation of First sailing yachts truly underway.

The First 53 is a happy mix of classic and modern lines. With a straight slender bow providing plenty of forward space, and a 5-metre maximum beam further aft, she immediately stands out for her sturdy seaworthy looks. The cockpit has been studied in detail to ensure nothing can obstruct forward movement: manoeuvring close-hauled from the twin helm stations with easy access to the side decks, space given over completely to relaxation near the companionway. With a flush deck, low coachroof and a sleek modern look, she has all the virtues of a thoroughbred. The First 53 marks a new era with a top quality mast and high-end deck gear and a powerful sail plan that is easily controlled by a shorthanded crew.
