YEAR	LENGTH	ENGINES
2027	42.25 ft	2

Description

Following in the wake of her elder sister the Oceanis 51.1, this 40-foot cruiser, with a new hull design by Marc Lombard, offers unrivalled deck volume and interior space, an there are no concessions to performance. The 12-metre long Oceanis 40.1 is available in different layouts, draughts and rigs, adapting to the most demanding sailor’s cruising requirements and satisfying their need for comfort and pleasure under sail.

With the innovative flared hull design of the Oceanis 40.1, and steps extending over a third of the bow, BENETEAU has broken new ground but made no concessions. The result is a hull that has true speed potential and is stiff under sail. Above the waterline, her deck plan and ultra-spacious interior by Nauta Design is unheard of on a boat this size. You cannot help feeling that you are aboard a 45 foot cruiser.

Engine Notes

1 x 45hp
