Description

This listing represents a model that is available for order.

Please contact Prestige Yacht Sales for detailed specifications and delivery details.

Elegance, innovation and heritage are brought together in the Oceanis 52, setting new standards in comfort and precision. Designed for discerning sailors, with no concessions, it offers the freedom to explore the world’s seas in complete safety and remarkable comfort.

You will love the Oceanis 52 for its sleek aft lines and the perfect balance of its elegant silhouette. Its pronounced chine lends it a bold dynamic elegance, while the generously-sized cockpit, made possible by the full beam design extending to the transom, is a hallmark of Biscontini hulls. This unique design results in

exceptional living space, with 30% more space than the 51.1 setting a new standard for comfort.

The Oceanis 52 cockpit is a blend of ergonomics and fluidity. The twin C-shaped benches create a diamond-shaped space, making it easy to move between the companionway and the lifting swim platform. With two height-adjustable tables, the cockpit is perfect for every moment of your cruise – drinks, meal or sunbathing. A central seating area, fitted with a fridge and a plancha grill, will make every anchorage that bit more special.

Under sail; the aft cockpit becomes an intuitive manoeuvring station with a clear separation between primary and secondary winches, making it easier to keep your lines tidy. The step provides secure access to the gangway. At the helm, the skipper charts his course with precision using a 12-inch display that provides excellent visual comfort in all weather.

Inside, every detail plays a part in creating a stylish yet relaxing atmosphere. The gently sloping companionway, a signature feature of Oceanis cruising yachts, leads to a bright living space, into which the C-shaped galley seamlessly integrates. Fitted with a full-height refrigerator and the option of adding a second, this cruising yacht offers incredible autonomy for family cruising. The Corian worktops and service hatch with storage areas make getting meals ready on board an enjoyable experience.

The saloon has been designed to prolong the time spent together. Top quality upholstery, using high-density foam, makes the seating really comfortable, while sanded oak woodwork and elegant trims create a warm, inviting atmosphere. You can personalise the interior to suit your preferences with a selection of fabrics and colours.
